Join us for an evening of culture, celebration, and connection

AHMA'S 30 YEAR IMPACT

AHMA's work encompasses more than housing. We work to provide a holistic set of services to Indigenous people because we know that wraparound support is necessary for healing and growth.

This event celebrates 30 years of housing expertise, honouring our members, who have been serving Indigenous people in BC for even longer.

AHMA was created in 1996 when the Federal government announced it would stop building new urban Native housing units and devolve social housing to the provinces.

What to Expect at the Event

- **CULTURAL EXPERIENCES** including an honouring ceremony, traditional dancers, and traditional medicine.
- **SILENT AUCTION** Raising money for Indigenous youth housing in our communities.
- **LEGACY STORES** from local Indigenous housing providers in BC.
- **MEMBER CONNECTION** sharing insights and learning from one another.
- **FINE DINING** Celebration dinner, and celebratory cake.
